*If in doubt, contact your local site or contact the Tillamook County Solid Waste Department.*

### OUR PURPOSE:

Tillamook County regulates solid waste management, providing a coordinated and fiscally responsible solid waste program to protect the health, safety and welfare of the people, and the natural and scenic resources of Tillamook County. Tillamook County seeks to minimize the impacts of materials throughout their lifecycle, implementing outreach and education strategies that encourage thoughtful consumption, the reduction of toxics, and the recovery of our material resources.
